MEDIA AND WEBSITE PARTICIPATION

Dear Parents / Carers

As you are aware from time to time the media attends school events and as a result coverage often appears in local newspapers and television, or may appear on the school website. Most children like to be involved, however we must have parental permission for your child's photograph to be taken or work samples to be published. Please complete the form below by checking the appropriate boxes to indicate your wish as to your child's involvement in this form of publicity.
